Objectives of the Packaging Partnership Programme

The objectives of the Packaging Partnership Programme are to:

1. build up industry capability to reduce, recover and recycle packaging waste;
2. introduce supply chain initiatives that foster the sustainable use of resources in packaging; and
3. raise industry and community awareness on 3Rs of packaging waste.

Member Commitments

1. Work together with other members to:
 - a. actively participate in the PPP; contributing to the objectives of the PPP, and
 - b. provide support in reaching out to more members to join the Programme
2. Exchange information to support industry compliance with the Mandatory Packaging Reporting (MPR).
3. Develop and implement programmes to educate industry on the ways to reduce, recover and recycle packaging waste.
4. Develop and implement programmes to raise industry and consumer awareness on the need to reduce, recover and recycle packaging waste.
5. Promote the Packaging Partnership Programme and Logo for Products with Reduced Packaging (LPRP).
6. Develop sustainable markets for recovered/recycled packaging materials.
